

The Tactical Carrier

Finally, A vest designed for the equipment you actually use.

Designed by a Police Officer with Utility in Mind. Pouches for all the equipment most commonly used. There is even a pocket for a note pad and pen. Who hasn't gone on a raid, crime scene or incident and needed a pen and notepad?! Made out of durable Cordura. Sized to fit your existing panels. Adjustable closures on the waist and shoulders. This is by far the best vest carrier in existence. Compare its quality and price to the other brands. 11 Pockets in all.

Made in USA and FAST Delivery.
